

Documentation Op'art Stat

Compatibility:

This module is compatible with all versions 1.6, 1.7 and 8 of Prestashop

Installation :

1. Go to the backoffice then to the "modules" menu
2. Click on "add a module" then "choose a file"
3. Select the opartstat.zip archive located on your computer
4. Click on "put this module online",
5. Look for the "Op'art stat" module in the list of modules.
6. Click on the "install" button

Module configuration :

1. Choose valid order status..

Check all the boxes corresponding to the statuses of the orders considered to be validated.

These are the orders for which you have received payment from the customer.

Example: Payment accepted, delivered, shipped, etc.

Status of valid orders	
☐	Autorisation. A capturer par le marchand
☐	Awaiting bank wire payment
☐	Awaiting Cash On Delivery validation
☐	Awaiting check payment
☐	Canceled
☒	Delivered
☐	En attente de capture
☐	En attente de paiement par Carte de Crédit
☐	En attente de paiement par moyen de paiement local
☐	En attente de paiement par PayPal
☐	On backorder (not paid)
☐	On backorder (paid)
☐	Partial refund
☒	Payment accepted
☐	Payment error
☐	Processing in progress
☐	Refunded
☒	Remote payment accepted
☒	Shipped

Choose the statuses of the orders that should be taken into account in the revenues calculation

2. Choose the status of refunded orders.

Check all the boxes corresponding to the statuses of the orders considered to be refunded.

These are the orders for which you received payment and then refunded your customer.

Example: Refunded

Status of incoming orders

- ☐ Autorisation. A capturer par le marchand
- ☒ Awaiting bank wire payment
- ☒ Awaiting Cash On Delivery validation
- ☒ Awaiting check payment

- ☐ Canceled
- ☐ Delivered
- ☒ En attente de capture
- ☒ En attente de paiement par Carte de Crédit
- ☒ En attente de paiement par moyen de paiement local
- ☒ En attente de paiement par PayPal
- ☒ On backorder (not paid)
- ☒ On backorder (paid)
- ☐ Partial refund
- ☐ Payment accepted
- ☐ Payment error
- ☐ Processing in progress
- ☐ Refunded
- ☐ Remote payment accepted
- ☐ Shipped

Choose the statuses of the orders that should be taken into account in incoming payment calculation

View your stats::

Click on the "Stats" tab then "Op'art stat" to display your statistics.

You arrive on the "Global" table which gives you an overview of the important figures of your shop. (You will be able to modify this table, as explained below).

Choose a period.

1. Click on the button with two dates (top left).
2. Choose the start date and end date of your period in the calendar
3. Click on the "Apply" button

The screenshot shows a web interface for selecting a date period. At the top, there are three buttons: a calendar icon with '1/1/2023 - 1/31/2023' (callout 1), 'CHOOSE A BOARD', and 'CHOOSE REPORTS OF THIS BOARD'. Below these is a section titled 'Choose a date'. Inside this section, there is a 'Period' dropdown menu set to 'Choose a preset period'. Below the dropdown is a calendar for 'January 2023'. The calendar has days of the week (Su, Mo, Tu, We, Th, Fr, Sa) and dates (1-31). Callout 2 points to the date '28'. To the right of the calendar are two input fields for dates: '1/1/2023' and '1/31/2023'. Below the calendar is a checkbox labeled 'Compare to another period'. At the bottom right of the 'Choose a date' section is an 'APPLY' button, with callout 3 pointing to it.

1/1/2023 - 1/31/2023

CHOOSE A BOARD

CHOOSE REPORTS OF THIS BOARD

Period

Choose a preset period

January 2023

Su	Mo	Tu	We	Th	Fr	Sa
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

1/1/2023

1/31/2023

☐ Compare to another period

APPLY

Compare two periods.

1. Repeat the previous steps to choose your first period.
2. Then check the box "Compare with another period" to display the second calendar.
3. Choose the start and end date of your comparison period.

The interface shows two main sections: 'Period' and 'Compare to'. Both have a 'Choose a preset period' dropdown and a calendar. The 'Period' calendar is for January 2023, and the 'Compare to' calendar is for September 2022. There are date input fields next to each calendar. A checkbox 'Compare to another period' is at the bottom left. An 'APPLY' button is at the bottom right.

Numbered callouts:

1. Points to the date range '1/1/2023 - 1/31/2023' at the top left.
2. Points to the date '28' in the January 2023 calendar.
3. Points to the checkbox 'Compare to another period'.
4. Points to the date '09/30/2022' in the 'Compare to' section.
5. Points to the 'APPLY' button.

Choose a board.

You have access to 6 pre-configured and customizable boards, to access them click on the "choose a board" button then click on the table you wish to consult.

The interface shows a 'Choose a board' button at the top left. Below it are four options: 'Global', 'Financial', 'Trafic', and 'Product'.

Numbered callouts:

1. Points to the 'Choose a board' button.
2. Points to the 'Financial' option.

Add or remove reports to a board.

You can choose which reports should appear in each of your board.

To do this when you are on the board that interests you:

1. Click on the "Choose reports from this table" button.
2. Check or uncheck the reports that interest you.
3. Click on the "save" button.

Choose the order of the reports in your board.

1. Click the double arrow icon at the top right of your board.
2. Drag and drop your reports in the order that suits you best.
3. Click on "save".

Add custom reports.

If you need specific reports for your company in your tables, do not hesitate to contact us.

The module has been designed to make it quick and easy to add new custom reports without compromising future updates to the module.

Just send us your request through support.
